

CITY OF HONDO JOB OPPORTUNITY
WASTE WATER PLANT OPERATOR – FULL-TIME

The City of Hondo is accepting applications for a full-time Waste Water Plant Operator. This position reports to the Waste Water Superintendent and supervises Waste Water utility workers in his absence.

The purpose of this position is to ensure the proper operation of the waste water treatment plant. This is accomplished by running lab tests, washing clarifiers, and properly removing and disposing of sludge. Other duties include adjusting and maintaining equipment, inspecting lift stations, repair and maintain the collection system, and mowing all areas around plants and stations. A complete job description is available on the City of Hondo website at www.hondo-tx.org.

Applicants must have knowledge in a specific vocational, administrative, or technical nature that may be obtained with six-months/one year of advanced study or training past the high school equivalency; minimum of three years of experience; and a Class C Waste Water license issued by TCEQ, prefer a Class B license.

The City of Hondo offers a competitive salary and an excellent benefits package. Interested applicants may obtain an application at the City of Hondo Personnel Office, 1600 Avenue M, Hondo, TX, or by visiting the City of Hondo website at www.hondo-tx.org. This position is open until filled with the first candidate review on Wednesday, May 2, 2018. The City of Hondo is an equal opportunity employer.
