RE: Suspension of Brush Pick-Up service due to COVID -19

Republic Services has notified the City of Hondo that due to COVID-19 they will be suspending brush pick-up beginning May of 2020. This suspension will last until the safety of their employees can be assured. While we understand that this is a challenge for all of us as this is spring when most of us do our pruning, we need to work to limit the impact this will have on our City. Please do not put your brush out until the service resumes. At that time, you will be allowed extra amounts of brush dependent upon how many months the service is suspended. If you have questions, please feel free to contact us at City Hall 426-3378.
