## EXHIBIT “1”

### Declaration regarding Public and Private Gatherings and Other Matter

#### 1. Declaration Regarding Public and Private Gatherings:

- a. This Exhibit “1” incorporates and adopts, except as where noted below, the Centers for Disease Control (“CDC”) Interim Guidance for Coronavirus Disease 2019 (COVID-19) dated March 15, 2020.
- b. The virus that causes COVID-19 is easily transmitted, especially in group settings, and it is essential that the spread of the virus be slowed to protect the ability of public and private health care providers to handle an influx of patients and safeguard public health and safety.
- c. For all gatherings, it is strongly recommended that social distancing protocols established by the United States Center of Disease Control and Prevention (CDC) and found within the “Implementation of Mitigation strategies for Communities with Local COVID-19 Transmission” issued by the CDC on or around March 11, 2020, including canceling, rescheduling, or not attending events with more than ten persons.
- d. Further, organizations that serve high-risk populations should follow CDC guidance for social distancing.
- e. Because of the risk of the rapid spread of the virus, and the need to protect the most vulnerable members of the community, the declaration includes the following effective at 11:59 p.m. on March 20, 2020 and continuing until 11:59 p.m. on April 19, 2020.

Order No. 1 Every person in Texas shall avoid social gatherings in groups of 10 or more people.

Order No. 2 In accordance with the Guidelines from the Governor of Texas and the CDC, there will be no eating and drinking at bars, restaurants, and food courts; provided, however, that the use of drive-thru, pickup, or delivery options is allowed.

- Order No. 6 As a result of the pandemic, no one under seventeen (17) years of age will be allowed to stand, drive, or ride about in or upon any public place in the City of Hondo during days without the supervision of a parent, guardian or adult 18 or over approved by the parent or guardian during the hours of 10:00 PM to 6:00 AM, any day of the week unless minor was engaged in lawful employment or volunteer work at a recognized charity institution or other organization or is going to or coming directly from such activity without detour or stop or any other defense recognized in Section 8.02.33 of the Hondo City Code.
- Order No. 7 All essential business retailers, including grocery stores and discount stores are instructed to: sanitize all carts prior to customers' usage, continuously sanitize all checkout areas including credit/debit card machines, maintain a six (6) foot separation between customers in lines both inside and outside (at the store's entrance) and are requested to limit the number of individual items sold to each customer or family. All fuel service providers are mandated to post signage warning against risks posed by lack of sanitation of fuel pumps.
- Order No. 8 That this declaration hereby closes all parks, public and private located in the City except all walking trails and green space located at these parks may remain open but groups of 10 and more people are still prohibited.
- Order No. 9 As a result of the pandemic, and to achieve the goals established by the Governor to reduce the spread of COVID-19, every person in Texas shall, except where necessary to provide or obtain essential services, minimize social gatherings and minimize in-person contact with people who are not in the same household. "Essential services" shall consist of everything listed by the U.S. Department of Homeland Security in its Guidance on the Essential Critical Infrastructure Workforce. Other essential services may be added to this list with the approval of the Texas Division of Emergency Management (TDEM). TDEM shall maintain an online list of essential services, as specified in this executive order and in any

approved additions. Requests for additions should be directed to TDEM at [EssentialServices@tdem.texas.gov](mailto:EssentialServices@tdem.texas.gov) or by visiting [www.tdem.texas.gov/essentialservices](http://www.tdem.texas.gov/essentialservices).

- Order No. 10 As a result of the Governor’s Declaration, bars, lounges, taverns, private clubs, arcades, theatres, bowling alleys, bingo parlors, indoor commercial amusement businesses, gyms, martial arts studios, nail salons, hair salons, barber shops, hair removal salons, massage parlors, spas, tattoo and piercing parlors.
- Order No. 11 CDC recommends wearing cloth face coverings in public settings where other social distancing measures are difficult to maintain (e.g., grocery stores and pharmacies). Therefore, this Declaration **requires the use** of cloth face coverings when visiting hospitals, medical and veterinarian clinics and restaurants. **It is required** that face masks also be used by restaurant workers as well as employees of all essential businesses that have face to face contact with the public including grocery stores. **It is recommended** that a face mask be used whenever a person leaves their home or essential business. Such cloth face masks can be fashioned from household items or made at home from common materials at low cost.
- Order No. 12 As a result of the Governor’s Executive Order GA-16 issued April 17, 2020, “reopened services” shall be allowed to open starting on April 24, 2020, which include all retail businesses that are able to sell goods through pickup, delivery by mail or delivery to the customer’s doorstep in strict compliance with the terms required by Texas Department of State Health Services. All other non-essential retail stores that are not able to provide pickup or delivery of its goods or services must remain closed.
- Order No. 13 The Hondo Golf Course will be allowed to reopen to allow golfers to walk the course as long as golfers take the necessary precautions to minimize in-person contact by maintaining a six-foot distance, and to include but not limited to the following prohibitions: no use of golf carts, ball washers, water coolers, rakes and flags must not be removed. Clubhouse will remain closed.

The declaration does not prohibit people from accessing essential services or engaging in daily activities, such as going to grocery stores, gas stations, auto repair and banks, so long as the necessary precautions are maintained to reduce the transmission of COVID-19. For offices and workplaces that provide essential services and remain open, employees should practice social distancing, good hygiene and, where feasible, work from home in order to achieve optimum isolation from COVID-19. The more that people reduce their public contact, the sooner COVID-19 will be contained and the sooner this declaration will expire.
