City of Hondo Wins USDA Grant

The City of Hondo has been awarded the USDA grant for the furnishing of a diesel mechanic classroom. This teaching facility will be located at the South Texas Regional Training Center in the James W. Danner Sr. Annex building. We look forward to providing diesel mechanic courses in the future!

Welding, HVAC, and Patient Care Technician Courses

The South West Texas Junior College is starting classes for Welding, HVAC, and Patient Care Technician in August. These courses will provide thorough instruction and enable students to become certified in the applicable field.
