Medication Take Back

This past Monday June 29, 2020, the South Texas Regional Training center was a hosting spot for Medication Take Back. This event was set up as a safe way to dispose of old medication and was made possible by funding from the USDA. Christopher Moken, Solid Waste Management Coordinator with the Alamo Area Council of Governments said, "they had about 49 cars with passengers totaling 100 people. Close to 50 lbs. of medication was collected to be disposed of properly."

New addition to our South Texas Regional Training Center! Alamo Area Council of Government has their Area Regional Transit (ART) now housing out of our STRTC. ART vans will be parked and their day will start at our STRTC. Please keep an eye out for new routes being added to Hondo and Medina County. Details to come later in July!
