Exhibit "1"

Declaration regarding Public and Private Gatherings and Other Matters

- I. Declaration Regarding Public and Private Gatherings:
 - a. This Exhibit "1" incorporates and adopts, except as where noted below, the Centers for Disease Control ("CDC") Interim Guidance for Coronavirus Disease 2019 (COVID-19) dated March 15, 2020.
 - b. The virus that causes COVID-19 is easily transmitted, especially in group settings, and it is essential that the spread of the virus be slowed to protect the ability of public and private health care providers to handle an influx of patients and safeguard public health and safety.
 - c. For all other gatherings, it is strongly recommended that social distancing protocols established by the United States Center for Disease Control and Prevention (CDC) and found within the "Implementation of Mitigation strategies for Communities with Local COVID-19 Transmission" issued by the CDC on or around March 11, 2020, including canceling, rescheduling, or not attending events with more than ten persons.
 - d. Further, organizations that serve high-risk populations (defined below) should follow CDC guidance for social distancing.
 - e. Because of the risk of the rapid spread of the virus, and the need to protect the most vulnerable members of the community, the declaration includes the following effective at 11:59 p.m. on March 20, 2020 and continuing until 11:59 p.m. on April 9, 2020.

- | | |
|-------------|---|
| Order No. 1 | In accordance with the Guidelines from the president and the CDC, every person in Texas shall avoid social gatherings in groups of more than 10 people. |
| Order No. 2 | In accordance with the Guidelines from the President and the CDC, people shall avoid eating and drinking at bars, restaurants, and food courts, or visiting gyms or massage parlors; provided, however, that the use of drive-thru, pickup, or delivery options is allowed and highly encouraged throughout the limited duration of this executive order. |
| Order No. 3 | In accordance with the Guidelines from the President and the CDC, people shall not visit nursing homes or retirement or long-term care facilities unless to provide critical assistance. |
| Order No. 4 | In accordance with the Guidelines from the President and the CDC, schools shall temporarily close. |

The declaration does not prohibit people from visiting a variety of places, including grocery stores, gas stations, parks, and banks, so long as the necessary precautions are maintained to reduce the transmission of COVID-19. This declaration does not mandate sheltering in place. Government entities and businesses will continue providing essential services. For offices and workplaces that remain open, employees should practice social distancing, good hygiene and, where feasible, work from home in order to achieve optimum isolation from COVID-19. The more that people reduce their public contact, the sooner COVID-19 will be contained and the sooner this declaration will expire.

- II. All Medina County Courts including but limited to County Courts (with the exception of the County Commissioners Court functioning in its administrative capacity), District Court, Justice of the Peace Courts, City Municipal Courts, are directed to the protocol established by the FIRST EMERGENCY ORDER REGARDING THE COVID-19 STATE OF DISASTER issued March 13, 2020, jointly by the Texas Supreme Court and the Texas Court of Criminal Appeals. (See Exhibit 2).
